### FFA Jacket & Scarf/Tie Shopping Info

The website to order Official FFA Jackets and Official Dress is: <https://shopffa.org/>

Click on the Official Dress tab and you can shop by gender. You can get jackets and ties/scarves in addition to shirts and pants/skirts. You can buy shirts and pants/skirts from National FFA but you can also find them at places like Walmart, Target, Goodwill, etc.; the full description of FFA Official Dress is in the last picture in this letter.

For the girls I suggest one of these scarves:

The jackets are sold two ways – either standard (\$55) or tailored (\$80); I suggest standard for most kids since they are still growing.

No matter which type you buy, standard or tailored, the student has to be measured to determine the correct size. Use the website below to find the fitting/measuring guide, including FAQ's and a video demonstration: <https://www.ffa.org/jacket-measuring-videos-calculator/>

After you pick the jacket type and size, you have to fill out the personalization info. That info is below, if I have multiple options listed, then use whichever the system will allow (since we have multiple Taylor chapters sometimes the system is picky):

- CHAPTER NUMBER = FL0382 or FL0122
- ADVISOR NAME = Amanda Forstater or Kyle Hearn
- FRONT LINE 1 (MEMBER NAME) = Student Name
- FRONT LINE 2 (OFFICE) = Student's Officer Position [optional]
- FRONT LINE 3 (YEAR) = Student's Officer Year [optional]
- FRONT LINE 4 = BLANK [N/A]
- BACK STATE LINE 1 = Florida
- BACK CHAPTER NAME LINE 2 = Pierson-Taylor OR Taylor (whichever it will allow)
- BACK CHAPTER NAME LINE 3 = BLANK [N/A]

Message on National FFA's Online Store: "Please follow the instructions and illustrations carefully! DO NOT GUESS! Official jackets CANNOT be returned, exchanged or credited."

Shipping rates/speeds will vary depending on the time of year as certain times of the year have higher demands for many jackets at speedy deliveries.
